

## **Buying Group (PLBG & PDBG) Update: 19<sup>th</sup> April 2019**

### **1. Quality Johnstones & Leyland Trade Paints shown at recent Open day.**

We are proud to have supported one of our members by supplying Johnstones Trade paint at rates not available on the high street or internet. The finish produced by Johnstones Trade is second to none and is used by many members due to the quality finish achieved.

Need a price? email [buy@plbg.co.uk](mailto:buy@plbg.co.uk)

### **2. More cashback offered on Ideal Boilers when 2 year warranty selected.**

Currently the ideal logic boilers come with a 10 year or 7-year warranty, but some working on flips just want 2-year warranty. Where the 2-year warranty is taken, the cashback increases to £135.

### **3. £20 Referral Reward.**

Earn £20 for recommending The Buying Group to your friends or colleagues. Email [buy@plbg.co.uk](mailto:buy@plbg.co.uk) with the name who you have recommended and after 21days of them joining we will transfer you £20. There is no limit on the number of referrals, so you can receive far more than your membership fee.

### **4. Premium Lawn Turf for Nottingham and Derbyshire.**

To support our developers, I now supply premium quality lawn turf at trade rates, cut in Nottinghamshire the evening before or that morning completes many projects ready for viewings. Minimum qty 30yd<sup>2</sup> no maximum as we have just supplied 1000 yd<sup>2</sup>. Get your price by emailing [buy@plbg.co.uk](mailto:buy@plbg.co.uk)

### **5. Greater savings on Fakro roof lights through the Buying Group**

Recent benchmarking proved that the Buying Group was more competitive than a roof superstore and a national builder's merchant by an average of 8%. Another reason to ask before you buy as the Buying Group may be able to save you more, just email us at [buy@plbg.co.uk](mailto:buy@plbg.co.uk)

### **6. Members get better rates at City Plumbing Supplies.**

A quotation on like for like plumbing and heating projects identified a 17% saving through the Buying Group. The list included boilers, radiators and 1<sup>st</sup> fix plumbing products.

### **7. Buying Group to Support Self Building Programme.**

We are proud to have been selected to support the National Custom Self Build Association and Derbyshire District Councils by providing access to a free estimating service linked to Grafton Buildbase who will supply all the materials at the Buying Groups discounted rates. More details about the opportunity and the conference in June to follow in a later edition.

### **8. Estimating service now available via the Buying Group**

Whether you are doing an extension or a new build, the Buying Group can now support you by linking you to an estimator and Grafton Buildbase for the supply of the materials, The estimator will take off from your plans and provide a detailed estimate which is free when the materials are purchased through the Buying Group and Grafton Buildbase.
